TRAVELWISE

Pasadena Intermediate School is a Travelwise School.

With the support of the Auckland City Council and the Auckland Regional Transport Authority, Pasadena Intermediate School promotes independent, active and sustainable travel to school.

Walking to school is an excellent way to include daily physical activity into your child's life. And if you walk with them, it's an excellent way to get some physical activity for yourself too.

Here are 10 great reasons to walk to school together:

- It's fun
- It's healthy
- It's non-polluting
- It's friendly
- It reduces stress
- It's a chance to teach and learn road safety skills

END OF TERM

School will close for the end of Term III at 2.00pm on Friday 7 October and re-open for Term IV at 8.45am on Tuesday 25 October.

Friday will bring to a close a most rewarding and productive term. It has been an extremely busy Term with Zone and Inter Class Sports Competitions, RoboCup, our Art Exhibition, the Hiroshima Exchange, the Cheongju visit, 2011 enrolment activities, English and other languages Speech Competitions, Task II preparation and presentations, as well as all important classwork.

Most students have grasped the variety of learning experiences offered them in the class and in the school wide programmes and they have been rewarded for their efforts and initiatives.

I would like to thank parents/caregivers for the support and encouragement they have given us during the course of the term, in terms of encouraging their children to participate and supporting homework and class programmes. Also a special thank you to C@P and the many parents/caregivers previously mentioned in Newsletters who have assisted with specific activities.

On behalf of parents/ caregivers, I would like to both thank and compliment the teaching and support staff for their efforts during the course of the term. Their commitment and professionalism in the classroom and in the activities in the wider corporate life of Pasadena Intermediate are key reasons for the success of this school.

Thank you also to the members of the Board of Trustees for their support, guidance and efforts during the term.

TERM III TASK PRESENTATION

Thank you those parents/caregivers who came along to the TASK PRESENTATION afternoon at the end of Term III.

Curriculum delivery is arranged through three Authentic Tasks. The Task Presentation represents the culmination of the work for the term and is an essential component of the learning and of the reporting to parents/caregivers.

Thank you parents/caregivers who attended the Music Groups Concert in the Pasadena Centre prior to the Task Presentations.

LOST PROPERTY

By this time every year, the school has accumulated a variety of items of clothing, shoes etc which has never been claimed.

If your child has lost an item of clothing at school, please ensure they check the lost property. Parents/caregivers are welcome to look through this themselves, if they feel their child is reluctant to do so.

2011 COSTS

Thank you to all those parents/caregivers who have paid their costs - Specialist Courses Materials and Services, Photocopying Levy and Programme Activities.

As detailed elsewhere, these are part of full costs of activities and services that we believe are critical to your child's successful education that are not funded by the government.

Families who have not yet paid these costs, we would ask that you do so immediately - they are now overdue.

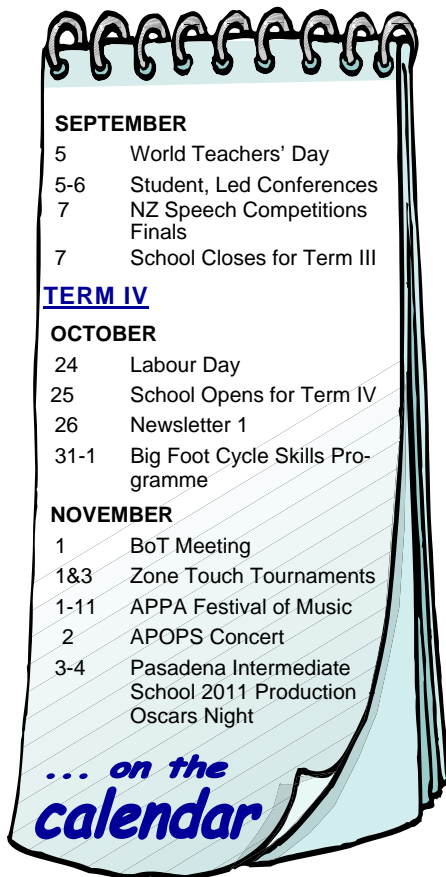

STUDENT HEALTH

We have noted on a number of student enrolment records there are students with allergies and conditions which require special medication and treatment. If your child is one of these children, we would be grateful if you would contact Mrs Holmes, School Receptionist, to outline to her, treatment procedures.

C@P would like to thank very much everyone who supported the 'Jane Eyre' film night fundraiser that was held recently. It was a wonderful film preview that we were lucky enough to see two weeks before it hit theatres in New Zealand - thank you the Bridgeway Theatre! The evening raised around \$900!!!!

PASADENA INTERMEDIATE SCHOOL BOARD OF TRUSTEES – 5 year Strategic Direction

Introduction

As part of its regular Strategic Planning process the Board of Trustees has been reviewing its Vision Statement.

Background

To do this, the Board has completed a review of recent education literature, the New Zealand Curriculum and the National Standards; obtained input from Pasadena Teachers, Pasadena Students and Western Springs College Senior Management Team; attended the New Zealand School Trustee Association Conference in Auckland and had an open agenda meeting at a specially convened meeting of the Board of Trustees.

The New Zealand Curriculum already provides a Vision – Directions for Learning which is: *Young people who will be confident, connected, actively involved, lifelong learners* and in keeping with this, Pasadena's current Vision is: *Our Students will be prepared for today and tomorrow.*

What we mean by this is that they will be confident, competent, contributing and responsible young citizens; they will be self-motivated lifelong learners; and they will be equipped for the 21st Century.

The Board wanted to come up with a simple picture that captures the essence of the school and represents what the community wants from Pasadena in the future, without changing for the sake of changing. We are now seeking Community feedback on our vision of the future, as set out below.

Proposed Statement

PROPOSED VISION: An outstanding community Intermediate School that prepares our Students for today and tomorrow.

The Board interprets this vision as

Outstanding

- High Expectations for student progress.
- Every student will be excited and enriched by new learning experiences.
- Highly effective learning environment with exceptional level of pastoral care.
- The local school of choice by children and their families.
- Students and teachers passionate about life-long learning.
- Inclusive, welcoming and caring.

Community

- An informed, engaged, involved and proud community.
- High level of high parent & caregiver participation in their children's education and school activities
- Positive and mutually beneficial relationships with local schools and organisations.

Intermediate School

- Commitment to the Intermediate school model, specializing in providing for the academic, physical, artistic, social and emotional development of the preadolescent child.
- Facilities and resources best suited to the preadolescent child as a 21st century learner.

Prepares our Students for today and tomorrow

- Right learning and teaching for each student at the right time for the right reasons.
- Confident, competent, contributing and responsible young citizens;
- Self-motivated lifelong learners, equipped with the competencies for the 21st Century.
- Graduates fully prepared to undertake the next stage of their education.
- Continuous reflection and improvement of programmes, management and governance.

Next Step

We propose that the next step in our strategic planning process is to meet with the school community to discuss this vision for our school, make necessary amendments and formalise the vision statement.

This meeting will be held on the 8th of November 2011 in the Pasadena Intermediate Community Centre at 7.00pm. More detail on this meeting will be circulated prior to the event.
