## KITCHEN CULTIVATORS

A recent addition to our Extension and Technology Programmes has been 'Kitchen Cultivators.'

After some initial work by Mr Elliott (Maintenance Officer) and a Dept of Corrections Work Party, working with a group of enthusiastic parents/caregivers, lead by Ms Wendy Goode, Kitchen Cultivators has established in the West Quad raised bed gardens. The gardens are already providing produce for our foods programme.

To support the groups start up costs and activities, the Parents/Caregivers have been actively applying to various bodies for funding. They recently received notifications from the WWF Environmental Education Action Fund and the Auckland District Health Board Nutrition Fund, they had been successful.

Well done Kitchen Cultivators, and thank you parents/caregivers.
