REPORT ONE

On Friday 23 July, students, will be issued with REPORT ONE. Report One reflects our emphasis in identifying what the student can do.

Pasadena Intermediate School is required to implement the New Zealand Curriculum. The Ministry prescribes that intermediate age students should be working at Level 4.

The report is intended to give parents/caregivers an indication of academic progress and effort in all curriculum areas, relating specifically to their child. Report One also covers Term II Authentic Task. Social, physical, artistic and cultural development are also regarded as worthy outcomes of the school's programme and attention is also focused on these important areas.

Please take the time to read and discuss Report One and the Self Evaluation Report and the assessments and comments your child has made about him/herself.

We all know that when we have tried hard we like to have our efforts acknowledged. This acknowledgement generally encourages us to strive towards even greater efforts in the future.

A written report cannot give a complete picture of all factors affecting a child's progress at school. For this reason, parents/caregivers are invited to contact the school at any time if they have any information they would like to share with the school or want to know more about the current programme being offered their child.

THANK YOU

A big huge vote of thanks must go to our Maintenance Team, **Mr Tom Elliott, Mrs Leonie Tawhiti and AAA Cleaners Ltd**, for the magnificent job they are doing keeping the playground and classrooms clean and helping to improve our school environment.

As a cost saving undertaking, Pasadena Intermediate uses Department of Corrections Work Parties, to undertake a number of caretaking and maintenance activities over two Saturdays during school holiday breaks.

ATTENDANCE

The value of regular attendance cannot be overstressed. All students are expected to be conscientious about punctuality and attendance. They are expected to arrive on time to begin activity at 8:45am - when the initial activity involves preparation of equipment, or changing into PE uniform, this will need to be taken into account.

2011 ENROLMENT

We also welcome enquiries regarding our programmes and courses and enrolments from other areas. Application for enrolment from full fee paying students are accepted.

I know secondary schools are already busy with 2011 enrolments and I know this flurry of activity often alerts parents to start considering intermediate enrolment.

The school is always open for visits. Pasadena staff and students will be available to meet with prospective enrolments and their parents wishing to inspect the campus, view the facilities and discuss programmes and student's individual educational needs.

**Our 2011 Enrolment and Orientation activities are conducted in Terms II, III and IV.
We will accept enrolments for 2011 at any time.**

Enrolment Week: 16—20 August 2010 and Open Days, Wednesday 18 and Thursday 19 August have been set aside for parents/caregivers to complete enrolments.

Our 2011 Prospectus and Enrolment Information and Form will be forwarded home with Year 6 students from Pt Chevalier, Waterview, Gladstone, Grey Lynn, Westmere and Mt Albert schools and will be available from the offices of other primary schools.

Parents wishing to have Enrolment Information and Forms mailed direct, need only telephone the school, 846-2169 and ask Thelma or Louise, the School Administration Staff.

Enrolments may be completed in person at the Pasadena Intermediate School Office, or may be posted to the school. Payment of costs and contributions is not a prerequisite for NZ resident's enrolment.

Extensive information about our school, our curriculum and our programmes is available on the school website, www.pasadena.school.nz.

A '21st Century Curriculum' Information Evening, (*Answering the questions 'Task, the why? and the How?'*) for new, and prospective parents, will be held in the Pasadena Centre, 7.30 - 9.00pm Wednesday 18 August 2010, please encourage your primary school parent friends to attend.

UNIFORM

Pasadena Intermediate School colours are Navy Blue and Red. Pasadena Intermediate School does not have separate boy's and girl's uniforms or separate summer and winter uniforms.

The 2010 Prospectus, The Student Information Book and the Website, detail the correct school uniform. Students select from these items according to the weather and their needs.

Jewellery is limited to watches and single studs for pierced ears. Other items, such as money belts and badges are not to be worn. For safety reasons, students must wear shoes when participating in lessons in the Technology Studios. All items of clothing and footwear must be named.

Uniforms are available from Pasadena Intermediate School
Uniform Shop Hours: School Days
8:30am - 3:00pm

UNIFORM REVIEW

Over the life of the various versions of the uniforms Pasadena has had, the school receives incidental feedback from parents/caregivers, students and staff. Also during this time, fashions and fabrics change and now days suppliers come and go.

At appropriate intervals, the school undertakes a formal review of the uniform, consulting with parents/caregivers, students and staff and making changes if necessary and as decided. In 2007, a formal review was undertaken and a number of new garments were selected and introduced in 2008.

PARENT/CAREGIVER SUPPORT

We expect students to wear full and correct school uniform everyday and ask that parents/caregivers give us their full support. Parents/Caregivers of students who do not wear full and correct school uniform will be contacted.

PE / SPORT / FITNESS

Children must get changed into their Physical Education uniform for all sporting activities - fitness, physical education lessons, syndicate sports, team practices and matches. Sports shoes are recommended for these activities.

During Term II and III students may wear plain red, white or blue sweat shirts and/or track pants prior to and during the pre-activity warm up and stretching.

SCHOOL TEAMS AND GROUPS

Pasadena Intermediate School owns sets of team uniforms for various sports and activities that students selected to represent the school are able to borrow for the day. These uniforms are laundered at school and are not to be taken home. Parents/Caregivers will be asked to pay for items not returned.

UNIFORM BANK

We accept there may be an occasion when a complete and correct uniform cannot be worn. On these occasions parents/caregivers are asked to write and forward a note to the class teacher for each day an incomplete or incorrect uniform is being worn. Under no circumstances should your child not attend school because of an incomplete uniform. Students without full and correct school uniform, will be loaned for the day, uniform items from the School Uniform Bank.

Correct and complete school uniform is one of the categories that contributes to the inter class competition.

TRAVELWISE

Pasadena Intermediate School is a Travelwise School.

With the support of the Auckland City Council and the Auckland Regional Transport Authority, Pasadena Intermediate School promotes independent, active and sustainable travel to school.

Walking to school is an excellent way to include daily physical activity into your child's life. And if you walk with them, it's an excellent way to get some physical activity for yourself too.

Here are 5 great reasons to walk to school together:

- It's fun
- It's healthy
- It's non-polluting
- It's friendly
- It reduces stress
- It's a chance to teach and learn road safety skills
