WELCOME

Greetings Tena Koutou Katoa Talofa Lava Kia Orana Malo e Lelei Fakaalofa Lahi Atu Kamshor Namaste Bula Vinaka Ni Hao Taloha NI Konichi Wa. We welcome new students who have enrolled recently. We trust your time at Pasadena will be enjoyable and profitable.

THANK YOU C@P

Our community support group C@P has again been very active in supporting the school -

Monthly Meetings:

Activities: Parents/Caregivers welcome and orientation morning tea on the first day of the year, Swimming Sports, Duathlon, Cross Country and Athletics Sports helpers

Fund Raising: Although fund raising is not a key goal of C@P, monies raised from various activities, including the 70s Night, have gone to the purchase of apparatus for Maataatoa the Cycle Adventure Confidence Course

On behalf of the school and particularly the students I acknowledge and thank the members of C@P for their support and valuable contribution.

THANK YOU REES TAPSELL

Due to work commitments, part way through this year, Rees Tapsell resigned from the Board of Trustees. Rees was in his third term on the Board.

On behalf of the school and the community, I thank Rees for his generous contribution to Pasadena Intermediate School.

REPORT TWO

With this Newsletter, students will be issued with REPORT TWO. The report reflects our emphasis in identifying what the student can do. It should also be considered in conjunction with the students presentations at the end of Term III and in Week 8 of this Term.

Pasadena Intermediate School is required to implement the New Zealand Curriculum. The Ministry prescribes that intermediate age students should be working at Level 4.

The report is intended to give parents/caregivers an indication of academic progress and effort in all curriculum areas, relating specifically to their child. It gives information about the child's achievement in relation to the National Standards in Reading, Writing and Mathematics.

Social, physical, artistic and cultural development are also regarded as worthy outcomes of the school's programme and attention is also focused on these important areas.

Please take the time to read and discuss REPORT TWO and the assessments and comments.

We all know that when we have tried hard we like to have our efforts acknowledged. This acknowledgement generally encourages us to strive towards even greater efforts in the future.

Seasons
Greetings

END OF YEAR

Today brings to a close, a most rewarding and productive year for Pasadena Intermediate School.

It has been an extremely busy Term with Zone and Interclass Sports Competitions, the Athletic Sports, Choir activities, Technology and Science Activities, In Our Beat Music Festival, The Production, 2011 Orientation, the opening of Maataatoa - The Cycle Adventure Confidence Course on Tuesday and last night's most successful Prize Giving, as well as all important classwork.

Most students have grasped the variety of learning experiences offered them in the class and in the school wide programmes and have been rewarded for their efforts and initiatives.

Thank you to the students who take special responsibility for activities and school operation - STUDENT COUNCIL, RECEPTIONISTS, LIBRARIANS and TECHNICIANS.

I would like to thank parents/caregivers for the support and encouragement they have given us during the course of the term, in terms of encouraging their children to participate and supporting homework and class programmes. Also, a special thank you to the many parents/caregivers previously mentioned in Newsletters and C@P who have assisted with activities. The Staff thank C@P for the delightful End of Year Morning Tea.

On behalf of parents/caregivers, I would like to both thank and compliment the teaching and support staff for their efforts during the course of the term. Their commitment and professionalism in the classroom and in the activities in the wider corporate life of Pasadena Intermediate are key reasons for the success of this school.

Thank you also to the members of the Board of Trustees for their support, guidance and efforts during the term.

To students graduating and moving on to secondary school, thank you for all you have contributed to our school, we wish you every success.

Merry Christmas and a Happy New Year.

Thank you to all the parents/caregivers who attended last night's Prize Giving. It was an extremely successful event, highlighting the success and achievement of our students and the professionalism of our Staff.

Thank you also parents/caregivers for your many expressions of thanks and appreciation.
