Principal's News

The integration of Digital Technologies into the Pasadena Curriculum is one of key Strategic Aims this year. All teachers have been undertaking Professional Development through the Learning with Digital Technologies contract run by the Ministry of Education. Each teacher as part of their Appraisal has set a digital goal to integrate the use of Digital Technology into their classroom practice. Recently the school purchased 35 Chromebooks, 3 per class to help supplement the 6 hardwire computers, the pods of bookable Laptops and students bringing their own device as part of our BYOD initiative.

It is wonderful to walk through our classes and see students motivated and engaged in their learning via digital devices.

Over the next few weeks we will also be purchasing further devices with the money raised from our C@P fundraiser.

Roadshow

Over the next 2 weeks students will be traveling to our local Primary schools and showcasing the talents at Pasadena. This will include Cheerleaders, Band, Singers, Rap, Ukulele, Pasifika Drummers, Hip Hop Dancers and a solo Guitarist. Students have been practicing over the past 4 weeks with the help of **Maureen Donnelly** our Performing Arts Specialist Teacher.

Parents and families are welcome to come and view the performances at each of the schools if they are available.

The performance dates and times are as follows:

Tuesday 28 June at 9am – Grey Lynn Primary School

Thursday 30 June at 11.45am – Gladstone Primary School

Friday 1 July at 11.30am – Waterview Primary School

Monday 4 July at 9.30am – Mt Albert Primary School

Tuesday 5 July at 11am – Pt Chevalier School

Wednesday 6 July at 9.30am – Westmere School

A big thank to **Maureen Donnelly** who has worked tirelessly to prepare the students for the event.

Information evening about Student Reports and National Standards

To help parents understand the upcoming mid-year report and how we determine if a student is below, at or above the National Standard we have an information evening at school on Wednesday 29 June at 7:00pm. Teachers and school leaders will explain any uncertainty you have around the standards, curriculum levels and assessment tools we use (e.g. e-asTTle and PAT tests). There will also be a time for questions.

Students arriving late to school.

Students need to be at school by 8.45am Monday – Thursday and by 9.00am on a Friday. With the winter months upon us a number of students are arriving late to school. Classroom teachers are in their class from 8.20am so it is essential that students arrive to school on time.

Chocolate Fundraiser

Thank you to everyone who bought, sold and ate chocolate!! We have raised over \$6,000 which will be used to purchase more computer equipment for classrooms. **WELL DONE**

Positive Behaviour for Learning (PB4L)

Positive Behaviour for Learning (PB4L) supports New Zealand schools to promote positive behaviour and create inclusive learning environments that foster well-being and achievement for every student.

It is built on the principles that positive behaviour can be learnt and that environments can be changed to support effective teaching and learning for every student. The initiative helps to strengthen relationships, and increase student well-being by creating caring, inclusive learning environments. Research shows that such environments have positive effects on students' behaviour, resilience, learning, and achievement.

Pasadena Intermediate is involved in the PB4L programme at the Tier 1 level. Training is throughout the year and focuses on a school-wide holistic approach which will strengthen the systems already in place. You can expect further updates from the Team next term.

Grey Lynn Primary and Western Springs College also have the programme in place.
