*Wednesday 6 July 2016: Newsletter Term 2 Edition 5*

## **REMINDER**

*School closes for Term 2 on Friday 8 July at 2pm*

## *Principal's News*

On Monday 4 July student's reports were sent home to parents. Teachers put a lot of time and effort into writing the reports and showed a detailed understanding of how well teachers know their students in their classroom.

As highlighted in the instruction sheet accompanying the report, the National Standards information is an update against the end of year National Standard. By law we have to report against the National Standards in writing twice a year. Students will also receive another written report at the end of term 4.

A big thank you to all the parents, caregivers and families who attended the Report and Assessment information evening on Wednesday 29 June. If you missed the meeting please go to:

<http://www.pasadena.school.nz/learning/curriculum/programme-overview> to view the information that was shared on the evening.

With the holidays coming up next week please make sure that students are able to spend some time resting. With winter upon us a number of students are starting to feel under the weather so some good rest and recreation will help students come back to school revitalised. Term 3 is another busy term even though it is only 9 weeks long. Have a safe and enjoyable holiday.

## *Staffing News*

We farewell our longstanding Receptionist **Louise Holmes** at the end of the term. Louise has been at Pasadena for 12 years and has done a wonderful job with our students and meeting and greeting the community as they enter the school. Louise will not be lost to our community as she is taking up a position at Western Springs College. Louise's position is currently advertised with an appointment being made early next term.

We wish both staff members every success in their future endeavors.

We also farewell **Dynelle Telly**, Room 9 teacher at the end of this term. Dynelle has decided to leave Intermediate School teaching and try a career in Early Childhood. In Dynelle's place we welcome Kelly Rijnaarts who is returning back to New Zealand after teaching overseas for the last few years. Kelly has had extensive experience in Intermediate Schools in Wellington.

## Auckland Zoo

Over the past term we have been working with Auckland Zoo to be able to access their facilities as part of our curriculum as a result of this, in Terms 3 and 4 students will be able use the Zoo as a resource for their learning. Teachers will integrate the Zoo's facilities into their units and extend our classrooms into the Zoo!! We are very lucky to have such wonderful resources on our doorstep. A big thank you to C@P who were able to provide the funding to make this happen.

## Student Roadshow

Over the past 2 weeks a group of 33 students – **Anzac Garland, Chester Rowlands, Caleb Lucas, Kaira Mitchell, Forrest Mace, Jemma Brown, Paloma Hermans, Amy Ingold, Rosa Tubman, Lashantay Koligi, Andre Fesolai Slade, Emma Crummer, Lotta McNamara, Faith Pauli, Brandon Vano, Isaiah McDade-Larkins, Tama Burger, Rubi Hui, Daisy Meder, Arwen Malua, Jaeda Asi-Marsters, Samantha Eccleshall, Elle Lauri, Milly Woodley-Phillips, Grace Neil-Dunlop, Hope Pauli, Mareco Mafoe, Sophie Malua, Cassie Tyler, Minh Anh Tran, Julie Saito, Angus Williamson, George Wright** - have been travelling around our local Primary Schools performing a show case of the wonderful talents that are evident at Pasadena. The students that performed were amazing. Feedback from the Primary Schools and parents has been very positive. A big thank you to **Ms Maureen Donnelly** who prepared the show.

## Student Success

Congratulations to **Hari Pathak Adlard** who has made the Auckland Football Federation under 13 team to play in the Kanga Cup in Canberra over the holidays. The Kanga Cup is the largest International Football tournament in the Southern hemisphere with over 370 teams taking part this year. We look forward to hearing about Hari's successes once he returns.

## BISC Donation

A big thank you to BISC (Business in Service of Community) who donated \$500 to the school. The money donated will be spent on purchasing further Chromebooks for the classrooms.

Please support the BISC businesses which can be found on the last page of the newsletter.

## News from the Art Room

We have been busy creating a new mural to go in the Pasadena car park to freshen it up. Cairo Bean (aka Kyle Boonzaier) a graphic artist who designs for Huffer and Billabong has been collaborating with the students to create a unique piece of work. Initial ideas were generated from discussions with students and a competition was held to collect images that represented these ideas. A group of students have been working after hours to get this finished. It be up and ready for the start of term three.

## Student Learning in Term 2 – How the World Works

### Team Whero

Rooms 9-12 have been working towards a science fair that will take place this week. All the students have chosen an experiment to show at the fair. They have researched the science behind their project and explained this as they performed their experiment. The areas of science that we have covered are transformation of materials, traits of matter and how things function. The students have all been engaged in the process and have had a lot of fun showing each other their ideas. All the teachers have been impressed by the effort and new understandings gained during this Term by the students.

### Team Kahurangi

We've had an exciting term, full of science experiments and designs. The focus has been on looking at different materials and the properties which make them suitable for a specific purpose. How materials are transformed into something different has also been looked at.

Students identified a problem which they wanted to solve, and developed their own solutions, presenting these in our own version of Dragons Den:

# Taniwha Tank

This week students are presenting their solutions to their classes and we are identifying the most convincing ideas. These will go to a Team Challenge at the start of next term.

I liked the aspect of how we can design our own invention, make it and try it. We learnt about the designing process and researching to help you with your designing and problem. I made a design that you put in your pillow to heat it up or cool it down. **Charles Room 4**

I liked that we got to choose the problem that we wanted to solve. There was a goal that we had to get to: it had to be something that people would actually want. The main thing I learnt was how important research is and how to use it when we're making our designs. **Rosa Room 8**

I liked how we got to get involved and do something after we had researched, it was our own thing and it was based on real life situations. I learnt how to work out amounts and costs, and how to research better and transfer their ideas into my own. **Lotta Room 8**

We would also like to mention that the winning Junior Girls Team from Western Springs College contained two previous Pasadena students – Anna Cory-Wright and Kate Hannay. Both had been in Pasadena Teams that placed in prior years.

### **InterZones:**

An amendment to the School's Newsletter dated 25 May 2016, this is the fourth year in a row that Pasadena teams have qualified to partake in the Interzone Final.

Yr 8 Boys – **Fergus Reay, Riley Fong, Xavier Todd, Mark Watkinson** (Placed 5th)

Yr 7 Individual - **Fletcher Green**

We would like to thank all those parents who gave up their time to help transport and support the students in the above events. Without them we could not represent Pasadena at these sporting competitions.

### **Lactic Turkey Sustainability Series**

This was the first event in the 2016 Series held on 24 May at Long Bay Regional Reserve. It involved teams of 4 students completing in a two-hour event to maximize their points through a mix of strategy/planning, teamwork, navigation & sustainability based challenges. Preparation for the event included learning about marine reserves, stream health, gecko's and kauri die back.

This year was the biggest event ever with 86 teams entering. Pasadena took 6 Teams. They were: **Fergus Reay, Josh Campbell, Riley Fong and Vadym Patkevych** (1st by 120 points); **Leo Main-Bennett, Fletcher Green, Dylan Fry, Jack Wisheart** (6th); **Alivia McMurty, Hannah Chung, Bella Raynes** (20th); **Emily Baden Myers, Emily Silcock, Kiera Mihaljevich, and Frances Hunt** (22nd); **Cedric Cave, Kian Merchant, Zac Green** (39th); **Danil Volodin, Sean Yap, Charles Benson.**

We would especially like to thank **Alex Munro, Meryl Main, Coral Grant, Sarah Silcock, Julie Poirier, Aleksandr Borodin** who shadowed the teams for 2 hours, also to **Jane Reeves** and the above for providing transport. There will be two more events later in the year, with the next event being held on 6 September at Karamatura, Huia and the final event 18 October at Auckland Botanical Gardens. If students are interested in taking part in these upcoming events, they need to listen to notices and find team members and an adult to shadow their team.
