

Learning Support, Term 1 2018

Kia ora everyone. I'm Lisa White and I have the roles of Deputy Principal and SENCO. Having been at Pasadena for many years, I am passionate about our students and their learning. We really want all of our students to succeed in the different areas of their education, and we love supporting them to do this. I also give extra support to our students in the areas of social, emotional wellbeing. I look forward to getting to know all of the students as individuals.

Hi my name is Gina Cave, this will be my second year at Pasadena and I am so looking forward to getting to know all our new students. I have worked as a classroom teacher for the last 8 years and am now loving my new role as a Learning Support teacher. I work Monday's, Wednesday's and Thursday's. I am very passionate about children loving learning and would love to instill that in the children I work with. I live in Titirangi with my husband James and our 2 year old Henry. I look forward to getting to know many of you.

Hi my name is Ally Lee, I am new to Pasadena this year and am really excited about getting to know and working with the students. I have been a classroom teacher for 10 years and have worked in a range of primary schools in Hamilton and Auckland. My most recent experiences have been collaborative teaching which I am really passionate about. I live in Point Chevalier with my family. I have three children- Rhylan, Indianna and Theo. I will be working in Learning Support on Mondays and Tuesdays.

What's happening?

We will spend the first 3 weeks of the term completing testing with our new students and getting to know them. In Week 4 we will begin running our programs.

There are a variety of Learning Support groups we run in the school:

Learning Staircase- occurs in small groups with the Learning Centre teacher. It is a program focused on developing student's basic literacy skills.

Accelerating Reading occurs in groups with the Learning Centre teacher. It is a program focused on developing student's reading skills.

Accelerating Writing occurs in groups with the Learning Centre teacher. It is a program focused on developing student's writing skills.

We are also looking at starting a **Mathematics** programme this year.

Please contact us if you would like to share any information about your child so that we can best support their learning.
